

January 25, 2012

Dear Parents,

As we prepare to celebrate Catholic Schools Week, I want to personally thank each and every one of you for the blessings you bring to Sacred Heart School. Your commitment to our school is evident in the time you commit and the dollars you share. It is an honor and a privilege to participate in the academic, spiritual and emotional development of your children. They bring light and joy to Sacred Heart each day.

Over the course of the last year, parents and grandparents have contributed their time and talents to Sacred Heart in so many ways – painting classrooms, serving lunch, monitoring our children at play, working on committees, coordinating and supporting a myriad of fund raisers, serving as room mothers and so much more. The need is endless and your continued dedication is so very much appreciated.

Catholic Schools Week is a time to celebrate our school, parents, teachers and children. There are exciting activities all week. We hope that you will encourage interested friends and neighbors to attend the Open House on Sunday, the 29th from 11:00 am to 1:00 pm. We have an exciting program planned.

Parents and grandparents are cordially invited to attend a special Open House just for them on Thursday, February 2nd between 8:00 and 9:30 am. We will welcome you with morning refreshments and you will have an opportunity to visit the classrooms and see your children at work! I hope you can join us.

Please join us at our “Literature Festival” after our open house on February 2nd at 10:00 in the all-purpose room. All are welcome. Come see our children’s literary talents as they present their class projects.

Just a reminder to children in grades kindergarten through third to remember our animal friends during this winter season by donating a can of cat or dog food which will be given to a local animal shelter.

Please make sure you follow all rules for drop off and dismissal in the back of the school for the safety of all our children. Please do not drop off in the “no parking fire zone” section.

May God continue to bless our school and each and every one of you!

Sincerely,

Sr. Marie
